Fall Closing Agreement

Basic Pool Closing: winterization of all equipment including ladders, handrails, diving board, pump, filter, heater, and related plumbing; installation of winter cover, expansion pillows, and plugs.

*Be sure to lower the water level prior to our arrival. (This isn't necessary if your skimmer has an Aquador)

There will be a \$75.00 charge if Caribbean Pools has to lower the water level.

**In-ground pools with significantly long distances between the pool and equipment may require more than one gallon of antifreeze per skimmer.
